### Terms and Conditions

11.2 Severability and Waiver. The waiver by either party of any default or breach of this Agreement shall not constitute a waiver of any other or subsequent default or breach. In the event any provision of this Agreement is determined to be invalid or unenforceable by a court of competent jurisdiction, then the other provisions of this Agreement shall continue in full force and effect. Except for actions for nonpayment or breach of Oracle's intellectual property or other proprietary rights, no action, regardless of form, arising out of this Agreement may be brought by either party more than two years after the cause of action has accrued.

11.3 No Assignment. You may not assign your rights and/or obligations, in whole or in part, under this Agreement to any third party. Any such attempted assignment shall be null and void.

11.4 Survival. Provisions that survive termination or expiration of this Agreement include those pertaining to limitation of liability, indemnification, nondisclosure, and others which by their nature are intended to survive.
